

MARTCARE® DISPOSABLE MOULDED MASKS

The Martcare® range offers a cost-effective solution, with a straightforward selection of easy-to-use PPE, subject to the rigorous batch testing and conformity procedures applicable to the entire JSP PPE range.

✓ EXHALATION VALVE

Low resistance exhalation valve for easy breathing.

✓ METAL FREE STRAPS

Mask straps ultrasonically welded ensuring no metal parts in contact with the face.

✓ INNER FOAM NOSE BRIDGE

A foam area around the nose area of the mask provides comfort and a firmer fit.
