Material: 100% Polyester Fleece	
These garments should be worn fastened at all times to provide the correct level of protection as stated.	
	The stated maximum number of cleaning cycles/washes is not the only factor relative to the lifetime of the garment. The lifetime will also depend on usage, care, storage and many other factors.
Limitations of use, Warning of Misuse: Should the high visibility properties of the garments become seriously impaired the item should be replaced immediately and the old one disposed of correctly. There are many factors which reduce the effectiveness of the garment so please test capability before use.	
Storage: Garments should be stored and transported in clean, dry conditions. DO NOT store in areas subject to direct sunlight.
