Art. no.	2112010
Design	Corded plugs
SNR	37 dB
Colour	Lime
Size	Medium
Packaging	100 pairs (bagged in pairs)

uvex x-fit dispenser refill box	
Art. no.	2112022
Design	Uncorded plug
SNR	37 dB
Colour	Lime
Size	Medium
Packaging	1 box of 300

uvex x-fit retail mini box	
Art. no.	2112123
Design	Uncorded plug
SNR	37 dB
Colour	Lime
Size	Medium
Packaging	14 mini boxes

MADE IN SWEDEN 

uvex x-fit

Disposable ear plugs

Feature	Tapered shape.	'X' emboss and micro-cellular structur.	Distinctive colour.	Low pressure sealed PU foam.	Flat attenuation.
					
Advantage	Easy 'roll-down', fits the natural shape of the ear canal.	Less material at the entrance of the ear canal. Gentle expansion speed.	Makes checks for correct 'wearing' much easier for supervisors.	Reduces potential for contamination and gently expands to fit the size and shape of the ear canal.	Enables clear communications while protecting against unwanted noise.
Benefit	Easy, comfortable and secure fit and providing optimum performance.	Reduced pressure gives optimum comfort for long term wear. Shape promotes ease of removal.	Improved wearer compliance and reduced risk.	Increased hygiene and ease of fitting.	Supports productivity and reduces the risk of unheard vital communications.
